

The Wildcat Wire

*A monthly connection between school & home to keep parents informed
January 2010*

Dear Parents,

How strange it seems to be dating this letter 2010! We are half way through our school year in which we have made many gains and are looking forward to finishing strong.

One thing I want to remind you is that we do go outside in the cold weather. The official guidelines we use are in our handbook which says that we will go outside for recess as long as the temperature and or windchill factor is at or above 26 degrees. Please send coats, hats, gloves, etc. to bundle up for those cold days. Also please put your child's name in those items as many people have the same things and they often get dropped or misplaced.

A quick reminder also about car pick-up and drop-off each day; it takes much patience to wait, but our student's safety is most important. Also, if you need to come into the school for even a moment, please find a parking space so that you do not block our drive or other parking spaces. Your attention to this is appreciated by all.

At this time of year I also want to say thank you for all that you do for your children and for our school. Supportive and helpful parents help us to do our jobs well and most importantly help your children succeed!

Have a safe and relaxing vacation and we will see everyone back on January 4th!

Until Next Month,

Sandra Kent
Principal

DO YOU KNOW ABOUT...????

-5th grade writing test—Each year all 5th graders in the state of Oklahoma take a writing test. This year it will be on Wednesday February 24th. It is important for all grade levels to practice writing at home. Write letters, stories, notes, etc. to help your child get in good practice!
